

## CD1E & B2M Heterodimer Protein, Cynomolgus, Recombinant (His)

### General Information

Synonyms:	CD1E & B2M Heterodimer
Protein Construction:	A DNA sequence encoding the cynomolgus CD1E(EHH50396.1) (Glu32-Gly303) was fused with a polyhistidine tag at the N-terminus, constructed the plasmid 1; A DNA sequence encoding the cynomolgus B2M (Q6V7J5) (Met1-Met119) was expressed, constructed the plasmid 2. The two plasmids were co-expressed and the cynomolgus CD1E/B2M heterodimer was purified. Predicted N terminal: His & Ile 21
Species:	Cynomolgus
Expression Host:	HEK293 Cells
Accession:	EHH50396.1&Q6V7J5
Molecular Weight:	44.5 kDa (predicted); 37.8 and 13.6 kDa (reducing conditions)

### QC Testing

Biological Activity:	Activity testing is in progress. It is theoretically active, but we cannot guarantee it. If you require protein activity, we recommend choosing the eukaryotic expression version first.
Purity:	> 95 % as determined by SDS-PAGE
Endotoxin:	< 1.0 EU/μg of the protein as determined by the LAL method.
Formulation:	Lyophilized from a solution filtered through a 0.22 μm filter, containing PBS, pH 7.4. Typically, a mixture containing 5% to 8% trehalose, mannitol, and 0.01% Tween 80 is incorporated as a protective agent before lyophilization.

### Preparation and Storage

Reconstitution:	A Certificate of Analysis (CoA) containing reconstitution instructions is included with the products. Please refer to the CoA for detailed information.
Stability & Storage:	It is recommended to store recombinant proteins at -20°C to -80°C for future use. Lyophilized powders can be stably stored for over 12 months, while liquid products can be stored for 6-12 months at -80°C. For reconstituted protein solutions, the solution can be stored at -20°C to -80°C for at least 3 months. Please avoid multiple freeze-thaw cycles and store products in aliquots. <small>Actual storage temperature shall be subject to the COA.</small>
Shipping:	In general, lyophilized powders are shipped with blue ice, while solutions are shipped with dry ice.
