

## Tengonermin

### Chemical Properties

CAS No. : 1960461-99-7

Formula:

Molecular Weight:

Appearance: no data available

Storage: Powder -20°C for 3 years  
In solvent -80°C for 2 years

### Biological Description

|             |                                                                                                                                                                                                                                                                                     |
