

## Alirocumab

### Chemical Properties

CAS No. : 1245916-14-6  
Formula:  
Molecular Weight:  
Appearance: no data available  
Storage: store at low temperature  
store at -20°C

### Biological Description

|               |                                                                                                                                                               |
