

## Ofatumumab

### Chemical Properties

CAS No. : 679818-59-8  
Formula:  
Molecular Weight:  
Appearance: no data available  
Storage: store at low temperature  
store at -20°C

### Biological Description

|               |                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------|
| Description   | Ofatumumab is a fully human monoclonal antibody to CD20 which appears to inhibit early-stage B lymphocyte activation |
| Targets(IC50) | Others                                                                                                               |
